Ballet CHILDREN/YOUTH

Signing up your little ballerina for our 16-week program is a deal waiting to be taken advantage of! Each class takes part in a mini-recital and a grand finale. Recital dress fee is included.

Mommy and Me: This class is offered for students who are not ready to be separated from their parent(s) for half-hour long ballet class. ONE parent/student will participate for entire class period with their child. Each student will work on balance and becoming independent.

Pre-Ballet A: The basics of ballet are presented in a fun and educational way. Song and rhyme are incorporated for these younger students. Students work on mostly loco-motor movement to increase coordination, balance, and flexibility.

Pre-Ballet B: The basics of ballet are further explored. Students will continue to work on improving their loco-motor movements, coordination, balance and flexibility. Students are introduced to new ballet terms and movements. This class is for students who have completed a minimum of one full semester of pre-ballet "A".

Ballet 4-6: Students further their ballet technique as well as begin to learn French ballet terminology. Students will learn new and more complex steps and begin to connect movements with their official French names. Improvisation is introduced as a means of self-expression.

Ballet 7-10: Students further their knowledge of ballet by learning more technically advanced steps. Students are expected to know the French translations of steps. Choreography is focused on connecting various steps together, and working in small groups to create short ballet routines. Improvisation is further explored as an additional way to create choreography.

Advanced Ballet 10-12: This class is for experienced dancers only. The instructor will inform parents after the first day of class if your child is ready. Students are expected to know the names of basic steps and be able to execute them. In this class more advanced steps will be taught and timing, artistry, and precision are the focus.

Sign up at least 2 weeks before program, class or trip begins to avoid cancellations and wait lists.
