Historic Steppingstone Tour

Saved from the wrecking ball, Steppingstone has been lovingly restored as a modern family home while retaining all of the architectural elements and charm. It's the only private historic home in Lake Geneva open to the public. After the tour we will be having lunch at the Tuscan Tavern and Grill—char-broiled burgers and fries and beverage selection—unlimited! Following lunch we will be going to the Lake Geneva Museum which is set up like the streets in Lake Geneva from the 1900's! 42nd Street at Drury Lane 🍷 🍷

This is an incredible story set in New York of how the depression is hitting Americans in 1933. This production is really about the dancing and the power their dazzling toes have to drum away the blues. Prior to the show will be a great lunch consisting of roast turkey (sliced breast), herb stuffing, cranberry sauce, and turkey gravy, or sauteed tilapia with tomato basil relish. Both entrées are served with roasted shallot mashed potatoes. What a great way to spend a dreary winter afternoon!
