Dear Parent(s)/Guardian(s),

We would like to take this opportunity to welcome you and your family to our preschool program. We are excited that you will be joining the Veterans Park Preschool Family and appreciate those returning for another school year.

Preschool is the beginning of your child’s education journey and we are dedicated in providing an unforgettable experience that will last a lifetime. Early experiences are vital to your child's growth and development. Early childhood experts agree that personality, identity, and language are largely formed by the time your child is six years old.

Our preschool program offers the ideal environment for you and your preschooler. Imagine your child being inspired daily by dedicated teachers, meeting new friends, singing, dancing, creating art, and much more! Our Creative Curriculum is organized by weekly themes, which promotes development in different areas through the use of play. Curriculum includes literacy, music, dramatic play, math, science, small motor and large motor. Through these areas of curriculum, children develop academically, physically, and socially/emotionally.

It is our privilege to be a part of your child’s education and to prepare them for their future learning experiences. We are committed in providing the tools necessary for every child to reach their potential and discover their creativity and talents.

The preschool staff is readily available to provide support for all our families. We would like to thank you for giving us the opportunity to be a part of your child’s education journey!

The purpose of this handbook is to share information and ideas with parents to promote understanding of our preschool program and foster a spirit of cooperation between parents and staff. We hope you will find it useful as an orientation to our school.

Sincerely yours,

Veterans Park District Preschool Staff

FAMILY ORIENTATION

The first day of the preschool program is a Family Orientation Day. The parents and children attend together during the first hour of the child’s scheduled class time (there is no class for the remainder of the day after orientation.) This is an opportunity to meet the staff, tour the classroom and receive information about the curriculum, policies and procedures. Families will also be able meet each other and become acquainted. Families joining the program after September will receive the orientation materials and are encouraged to schedule an appointment with the teachers.

Our Creative Curriculum is organized by weekly themes, which promotes development in different areas through the use of play. Teachers use Illinois Early Learning and Development Standards to plan weekly themes with reasonable expectations of children’s development in the preschool years. These standards are aligned to the Illinois Kindergarten Standards and Common Core State Standards to promote readiness for Kindergarten. Teachers also use the Get Set for School Readiness and Writing Curriculum for Pre-K. This program addresses children’s diverse learning styles in fun, engaging, and unique multisensory lessons. These lessons also provide support and strategies for English Language Learners. Lessons address general readiness, alphabet knowledge, letter/number recognition and formation, counting, drawing, shapes, and colors.

GRADUATION & REINSTATEMENT

I acknowledge and understand that my Preschool Balance must be paid in full by the final tuition due date in April. If my balance is not paid in full my child will not be able to participate in the preschool graduation. Any family who has an unpaid balance will not be allowed to attend the upcoming school year or register for any park programs in the future (this includes ALL family members in the household).

ACTION FOR CHILDREN CLIENTS

The Veterans Park District Preschool accepts subsidy payments from the state. To determine eligibility the parent is instructed to call Action for Children and inquire about the program and obtain the proper paperwork. It is the state's determination whether a family is approved for subsidy (by income qualifications). Regular tuition rates and payments are required until a valid approval letter is sent to the preschool. If approved, the preschool requires the client to pay the difference between what the state pays and what Veterans Park District charges for tuition. This will be different than the determined "parent co-payment" issued by the state. The amount owed will differ from month to month based on the amount of service days in each month. The preschool distributes the monthly charges at least one week prior to the beginning of a new month. Any questions can be forwarded to the preschool director. All clients, including subsidy clients, are subject to late fees for past due tuition. For rate information, please call the preschool director.

DISCONTINUING FROM PROGRAM

Should at any time, you need to discontinue from the program please contact the preschool director. We require a 2 week WRITTEN notice given to your child’s teacher or emailed to the preschool director. This will allow us to transition the child out of the program properly. If notification of withdrawal is not given, billing will continue. If you would like to return to the program after withdrawing and space is still available, you must wait 6 weeks after your child’s last day and re-register with a $100 registration fee and first month’s tuition.

FIELD TRIPS

The Veterans Park District preschool will offer field trips throughout the year. Permission slips and information will be sent home 2 weeks prior to the date of the trip. There will be no preschool on field trip days for children who are unable or choose not to attend the field trip.
EMERGENCY CLOSINGS

The Veterans Park District preschool will hold all scheduled classes and times under normal circumstances. However, some things are beyond our control, such as power outages, lack of heat, lack of water, and/or severe weather conditions. In case of an emergency that necessitates the closing of the preschool during hours of operation, parents will be contacted to come pick-up their child immediately. In the event of inclement weather conditions or other emergencies where the preschool will be closed, the preschool director will send an email to all families informing them of the closure. Parents can also check the Veterans Park District Facebook page at https://www.facebook.com/vpdparks/ for information on preschool closings.

The preschool also participates in the EMERGENCY CLOSING CENTER. Listen to WGN Radio 720-AM, WBBM Radio 780-AM or watch CBS Ch 2, NBC Ch 5, ABC Ch 7, FOX32, WGN-TV, or CLTV cable for closing information. You can also check our status on www.emergencyclosings.com.

There is no refund or credit for these unforeseen closures due to facility issues or inclement weather.

Optional non-edible birthday celebration suggestions: donate a favorite book to the classroom with your child's name inside; donate an educational game or toy to the classroom; or send bubbles, stickers, pencils, erasers or party favors.

Please note: Any cakes, cookies, or candies will not be accepted for distribution in the classroom and will be returned to the parent.

PRESCHOOL BEHAVIOR POLICY

Preschool plays an important role in teaching children social skills and how to interact appropriately with each other. Teachers incorporate these skills in the curriculum by modeling good manners and showing children how to respect each other. They work hard at preventing behavioral problems by arranging the classroom environment, so children are able to work in small groups and have large choice of activities. Teachers are also trained to direct behavior along appropriate channels and give ample praise for appropriate behavior. All parents and staff members sign a statement of understanding in regard to the Veterans Park Preschool Behavior Policy, included as part of your child’s enrollment packet, so that a clear understanding exists between both parties. Therefore, our behavior policy is as follows:

1. The teacher will give a verbal reminder of the rules and explain to the child why their behavior is not appropriate.
2. If the behavior is demonstrated again, the child will be re-directed to another activity.
3. If that does not deter the repeated behavior, the child will be directed to a quiet area of the classroom to “sit and think” about what they have done (not to exceed one minute per year of the child’s age.)
4. If the action or behavior is repeated after sitting out, a behavior report will be written, and the parent/guardian will be notified of their child’s behavior, which must be signed at pickup.
5. After three behavior reports are made the child will be paused from the program for up to 3 days, until a behavior plan has been drafted by the Director of Early Childhood and the child’s
classroom teacher(s). The parent/guardian is required to attend a mandatory meeting with the Director of Early Childhood and teacher(s) to discuss the behavior(s) and new behavior plan. The child may return to class after the mandatory meeting has taken place.

6. If the inappropriate behavior(s) continue(s) after the meeting and the new behavior plan is implemented, resulting in two more behavior reports being written, the child will be paused for up to 1 week from Preschool under the direction of the Director of Early Childhood and the Director of Recreation.

7. If the inappropriate behavior(s) continue(s), resulting in two more behavior reports being written, the child will be terminated from the Preschool Program under the direction of the Executive Director.

* If a child who, after several attempts have been made to meet the child’s individual needs, demonstrates inability to benefit from the type of care offered by the facility, or whose presence is detrimental to the group, the child will be discharged from the facility. (407.250 Enrollment and Discharge Procedures of the DCFS Standards)

* In all instances, when the Executive Director decides that it is in the best interest of the child to terminate enrollment, the child’s and parents’ needs shall be considered by planning with the parents to meet the child’s needs when he or she leaves the facility, including referrals to other agencies or facilities. (407.250 Enrollment and Discharge Procedures of the DCFS Standards)

* If a child poses a direct threat to the health and safety of other children, staff or him/herself the parent of the child and the local police will be notified immediately. Termination will be in effect immediately, at the discretion of the Director of Recreation and/or Executive Director.

VISION AND HEARING SCREENINGS

In Compliance with DCFS Section 407.310(d), each Spring the Township of Proviso conducts vision and hearing screenings to each preschool student. If the personnel conducting the screening finds the child needs further vision or hearing examination, they will provide a referral that the preschool staff will send to the child’s family.

TOILETING PROCEDURES

Children that are not potty trained will immediately be sent home until the parent feels confident that the child is properly potty trained. This includes being able to use the toilet by him/herself, cleaning him/herself after a bowel movement, and washing their hands after using the urinal or toilet.

If your child has an accident:
- Parents will be required to pick up their child immediately.
- Your child will not be admitted back into class until he/she has been taken home, cleaned, and dressed in dry, clean clothes and shoes.
- If there are repeated accidents, parents will have a meeting with the preschool director and the child’s instructor. It will be determined at that time if your child will be sent home until they are toilet trained or some other intervention is taken.
- No refund will be given for days due to bathroom accidents. While accidents happen, it is expected that your child is able to take care of their toileting needs before they are registered for preschool.
- They may not be sent to preschool in diapers or pull ups.
PEST CONTROL

Pest Control will be performed by a licensed pest control technician employed by the Illinois Department of Public Health on an as needed basis. If pest control is needed, notifications will be displayed at least 2 days in advance. Children will not be present at the time of pesticide applications.

PROVISIONS FOR EMERGENCIES

By signing and agreeing to the Emergency Care Release in the Preschool Application you hereby authorize the Veterans Park District, their employees and agents to provide emergency medical assistance or to arrange for and consent to on your behalf immediate medical treatment by a licensed or certified physician or other medical personnel for your child whenever the authorized Park District personnel believes such emergency medical assistance is necessary to protect the health, safety and welfare of your child. Please be sure you provide us with accurate and all information regarding your child’s medical needs and health conditions.

In case of a non-medical emergency the preschool staff will contact parents/guardians. In case parents/guardians cannot be contacted, the Emergency Contacts persons will be contacted. Please update phone numbers and emergency contacts by notifying the preschool director.

Our preschoolers will use all the play equipment and participate in all the activities of Preschool. By signing the policy in the registration packet, you grant permission for your child to leave the preschool/park grounds under supervision of preschool staff members for a neighborhood walk and visit.

CHILD ABUSE & NEGLECT POLICY

All Veterans Park District staff, regardless of position, are mandated reporters of any suspected child abuse and/or neglect; in accordance with Illinois state law. The preschool is required to have a written policy indicating compliance with the law. A child is considered neglected if he or she is not provided with adequate food, clothing, medical attention or protection. If any of these conditions are suspected, the preschool is required to file a report with DCFS. It is not the place of staff to determine if a child is or is not being abused and/or neglected, but rather only to report the suspected abuse and/or neglect to the proper authorities. Failure to report any suspected child abuse and/or neglect can result in criminal charges being brought up against the preschool and any involved staff members. If any staff member observes signs of suspected abuse and/or neglect, the staff person must indicate this in a written observation and immediately report the findings to the preschool administrative staff. A staff member will seek to inform the parent/guardian of the situation and try to secure cooperation when a report must be filed to DCFS. The parent or guardian's explanation of the child's situation will be recorded along with the staff member's observation. The observation will be immediately reported to DCFS with or without parent involvement. If a parent or family refuses to talk with the staff about the child's situation, or a child does not attend school after inquiries have been made, an additional report to DCFS will be made.

IMPORTANT: If a parent shares with the staff his/her concern that he/she may be abusing their child, the staff will work to help the parent receive the appropriate services and will support the family in reporting the situation to DCFS.

PHOTOGRAPH AND VIDEO USE

Photographs and video footage are periodically taken by Veterans Park District Staff or contracted photographers of persons, including children, participating in Veterans Park District programs, activities, attending Park District classes and events, or using District facilities or property. It shall be the policy of
