Preschool Behavior Policy

Preschool plays an important role in teaching children social skills and how to interact appropriately with each other. Teachers incorporate these skills in the curriculum by modeling good manners and showing children how to respect each other. They work hard at preventing behavioral problems by arranging the classroom environment so children are able to work in small groups and have large choice of activities. Teachers are also trained to direct behavior along appropriate channels and give ample praise for appropriate behavior. All parents and staff members sign a statement of understanding in regard to the Veterans Park Preschool Behavior Policy, included as part of your child's enrollment packet, so that a clear understanding exists between both parties. Therefore, our behavior policy is as follows:

1. The teacher will explain to the child one on one why their behavior(s) is/are not accepted in preschool and give a **warning** to the child. If the behavior(s) is/are demonstrated again they will have to sit out, not to exceed one minute per year of child's age.
2. If the child repeats the behavior(s) or does not follow the classroom rules again they will be redirected to another activity.
3. If that does not deter the repeated behavior(s), the child will be directed to a quiet area of the classroom to sit and "think" about what they have done (not to exceed one minute per year of the child's age.)
4. If the action(s) or behavior(s) is/are repeated after the redirection, a behavior report will be written and the parent/guardian will be notified of their child's behavior.
5. After **three behavior reports** are made the child will be paused from the program for **up to 3 days**, until a behavior plan has been drafted, by the Director of Early Childhood and the child's classroom teacher(s). The parent/guardian is required to attend a mandatory meeting with the Director of Early Childhood and teacher(s) to discuss the behavior(s) and new behavior plan. The child may return to class after the mandatory meeting has taken place.
6. If the inappropriate behavior(s) continue(s) after the meeting and the new behavior plan is implemented, resulting in **two more behavior reports** being written, the child **will be paused for up to 1 week from Preschool** under the direction of the Director of Early Childhood and the Director of Recreation.
7. If the inappropriate behavior(s) continue(s), resulting in **two more behavior reports** being written, the child will be **terminated** from the Preschool Program under the direction of the Executive Director.

* If a child who, after several attempts have been made to meet the child's individual needs, demonstrates inability to benefit from the type of care offered by the facility, or whose presence is detrimental to the group, the child will be discharged from the facility. (407.250 Enrollment and Discharge Procedures of the DCFS Standards)

* In all instances, when the Executive Director decides that it is in the best interest of the child to terminate enrollment, the child's and parents' needs shall be considered by planning with the parents to meet the child's needs when he or she leaves the facility, including referrals to other agencies or facilities. (407.250 Enrollment and Discharge Procedures of the DCFS Standards)

* If a child poses a direct threat to the health and safety of other children, staff or him/herself the parent of the child and the local police will be notified immediately. **Termination will be in effect immediately**, at the discretion of the Director of Recreation and/or Executive Director.
