

SPORTS CAMP

AT GEORGE A. LEONI COMPLEX

AGES 8-13

Does your child enjoy playing one sport? How about two or three sports? At this summer's Sports Camp, your child will get to learn and improve their skill base for different sports that we will have to offer!

We believe to be a good athlete, you have to be well-rounded at multiple sports. Skills that are learned at one sport can be helpful to your child as an athlete in another sport. Professional athletes come from a background of playing and excelling in multiple sports so why not try our Sports Camp. Hand-eye coordination, balance, speed, agility, decision making, teamwork and sportsmanship are just a few of the skills that will be taught for this camp.

Kids will learn the basics and go through developmental drills for all the specific sports taught for the day. Game play and tournaments will be played after going through warm-ups and drills. Children have the opportunity to learn a new sport, enhance their sport knowledge, gain a competitive edge and fine-tune their skills for each specific sport in Sports Camp.

Each session includes learning the basics of the sports, weekly.
