

Ballet

Signing up your little ballerina for our 16-week program is a deal waiting to be taken advantage of! Each class takes part in a mini-recital and a grand finale. Recital dress is included in the fee.

Mommy and Me: This class is offered for students who are not ready to be separated from their parent(s) for half-hour long ballet class. ONE parent/student will participate for entire class period with their child. Each student will work on balance and becoming independent.

Pre-Ballet: The basics of ballet are presented in a fun and educational way. Song and rhyme are incorporated for these younger students. Students work on mostly loco-motor movement to increase coordination, balance, and flexibility. Students are introduced to simple ballet terms and movements.

Ballet 4-6: Students further their ballet technique as well as begin to learn French ballet terminology. Students will learn new and more complex steps and begin to connect movements with their official French names. Improvisation is introduced as a means of self-expression.

Ballet 7-10: Students further their knowledge of ballet by learning more technically advanced steps. Students are expected to know the French translations of steps. Choreography is focused on connecting various steps together, and working in small groups to create short ballet routines. Improvisation is further explored as an additional way to create choreography.

Jazz/Tap/Modern Dance

This class is designed to help students develop rhythm and sound. Tap dancing exercises will help to build flexibility in the knees and ankles, improve coordination, and self-confidence. As dancers progress through class levels, the curriculum becomes more complex.

The second part of this class will be Jazz dancing. Jazz dance combines techniques of classical ballet and modern dance with the current forms of popular dance. Jazz also has its own movement vocabulary ranging from the isolation of certain body parts to the movement of the entire body with the accents of musical rhythms. Jazz dance can take on many different characteristics and styles.

To finish out this mixed dance class, we will explore Modern Dance. This is a style of free and expressive theatrical dancing that is not bound by the classical rules of ballet.

Please note: This class does not participate in a recital and will not get a recital dress. You Must be 7 by the first date of class.
