

SPORTS CAMP

AT GEORGE A. LEONI COMPLEX

AGES 8-13

Does your child enjoy playing one sport? How about two or three sports? At VPD's Summer Sports Camp your child can learn or improve their skill base in a variety of sports!

To become a good athlete, you must be well-rounded in multiple sports. Skills learned in one sport can help increase your child's participation and confidence in another sport. Hand-eye coordination, balance, speed, agility, decision making, teamwork and sportsmanship are some of the key skills we want your camper to improve on.

Game play and tournaments are played after going through warm-ups and drills. Children can learn a new sport, gain a competitive edge and fine-tune their skills. Professional athletes come from a background of practicing and playing competitively in multiple sports, so why not try our Sports Camp!
