

# SUMMER DAY CAMP

**AGES 6-12**

Play outside this summer and give yourself a break from electronic gaming. Camp is the place where new friendships form through participation in a variety of activities including themed arts and crafts, silly competitions and crazy named games. Our camp staff are trained to promote teamwork and communication. Counselors provide a safe and supportive camp environment by planning activities where outcomes can increase campers' self-confidence and social skills.

VPD's summer day camps include a weekly field trip or special event! Each three-week session has an exciting trip to an outdoor water park. Campers are placed in groups based on their age but have an opportunity to craft and create with mixed ages in before and after camp. Illinois Food Service Program provides a free daily lunch and afternoon snack. Lunch is not provided on Wednesday field trip days!
