Family Story Time Yoga

Let's go on an adventure! This class embraces the physical movement, exercises, songs, and yoga poses based on stories that make up Story Time Yoga. Story Time Yoga encourages engaging young minds with the magic of yoga through recounting some of the world's most fascinating stories in a way that promotes the foundation of yoga philosophy, literacy, and vibrant physical health. Through this interactive class we invite kids, parents, grandparents, aunts, and uncles to share in the joy of yoga. Each class will teach the family playful poses that can be done together or alone, along with gentle breathing exercises and relaxation techniques.
