## BALLET

Signing up your little ballerina for our 16-week program is a deal waiting to be taken advantage of! Each class takes part in a mini-recital and a grand finale. Recital dress is included in the fee.

**Mommy and Me:** This class is offered for students who are not ready to be separated from their parent(s) for half-hour long ballet class. ONE parent/student will participate for entire class period with their child. Each student will work on balance and becoming independent.

**Pre-Ballet:** The basics of ballet are presented in a fun and educational way. Song and rhyme are incorporated for these younger students. Students work on mostly loco-motor movement to increase coordination, balance, and flexibility. Students are introduced to simple ballet terms and movements.

**Ballet 4-6:** Students further their ballet technique as well as begin to learn French ballet terminology. Students will learn new and more complex steps and begin to connect movements with their official French names. Improvisation is introduced as a means of self-expression.

**Ballet 7-10:** Students further their knowledge of ballet by learning more technically advanced steps. Students are expected to know the French translations of steps. Choreography is focused on connecting various steps together, and working in small groups to create short ballet routines. Improvisation is further explored as an additional way to create choreography.

**\* Attention parents: Any child registered for the regular pre-ballet or ballet class will be expected to be comfortable with parent leaving them alone. No parents will be allowed to stay in the classroom in the non-mommy and me pre-ballet.**

**\* A registration packet must be filled at time of registration. No discounts for missed classes, or late registration.**

**\* You can register your child for one additional ballet class at a discounted fee!**

# Tap Dance

This class is designed to help students develop rhythm and sound. Tap dancing exercises will help to build flexibility in the knees and ankles, improve coordination, and self-confidence. As students progress through class levels, the curriculum becomes more complex.

**Please Note: Tap class does not participate in a recital and does not get a recital dress.**
